“The Last Summer on Earth tour is something we all really look forward to,” states Ed Robertson. “From its inception, it’s been about putting together great live acts to give the audience a great night out. 2018 is going to be a blast, because we’re touring with friends! Kevin Griffin from Better Than Ezra has been a songwriting collaborator for almost a decade and KT and I rocked together in Yukon Kornelius. This is going to be a great tour with lots of collaboration.”
