LAKE JULY 16**
Tickets on sale March 11

PRIOR LAKE, Minn. – March 7, 2022 – The Mavericks are bringing their unique Latin flair and 'En Español' World Tour to the Mystic Showroom at 8 p.m. Saturday, July 16, 2022.

The Mavericks, the eclectic rock and country group known for crisscrossing musical boundaries with abandon, have gone through three distinct phases since they were founded in Miami in 1989: An initial period of heady success marked by big hits and critical acclaim in the '90s, a long hiatus starting 2003 when the musicians each went their own way, and finally, a triumphant reunion in 2012 before recently celebrating their 30th anniversary.

The Mavericks released their first-ever all-Spanish album "En Español" in 2021. "It's like we've had three different lives," says Raul Malo, the band's lead singer and songwriter, "and now this is a whole new beginning. We're sort of going into uncharted territory. I'm looking forward to it and I'm kind of nervous about it too. It's certainly a new adventure."

"En Español" flips the band's usual fusion formula which adds a striking assortment of genres – salsa, ska, norteño, mariachi, and much more – to its sturdy rock/country base. Now, the foundation is solidly Latin with streaks of irreverent rock and twangy guitars running through it, all branded with the unmistakable Mavericks style. ABOUT THE MAVERICKS: 'EN ESPAÑOL' WORLD TOUR

The lineup for The Mavericks: 'En Español' World Tour includes Malo's fellow Miamian and charter bandmember, Paul Deakin on drums and vibraphone, as well as veteran Jerry Dale McFadden, who joined in 1993. Eddie Perez, a Mexican American guitarist from Los Angeles, is the band's youngest and newest member, becoming a Maverick in 2003.

Although all 12 tracks are in Spanish, as the title suggests, the collection represents a diversity of musical styles and cultural traditions from tender boleros and brassy mariachi to reimagined Afro-

Cuban classics. Seven of the tunes are familiar gems drawn from the vast Latin American songbook, while five are originals written or co-written by Malo.

Like the band's entire body of music, this one album cannot be boxed into a single category. The songs are as diverse as Latin America itself, and as cohesive as the ideal of the American melting pot. To season this rich musical paella, The Mavericks add their signature country/rock/Tex-Mex flavors and a refreshing spontaneity to the mix.
