### **ABOUT CHRIS DISTEFANO**

Chris Distefano is one of today's biggest and most beloved names in comedy. He quickly rose to success after being named the funniest person on MTV for his showstopping performances on the “Guy Code” and “Girl Code” series. From there, he went on to star in IFC’s “Benders,” co-host the Netflix gameshow “Ultimate Beastmaster” and even had his own CBS sitcom. Outside of TV, Distefano has become one of the most respected and flat-out funniest comedians in the stand-up world. Fresh off his appearances on “The Late Show with David Letterman” and “Late Night with Seth Meyers” in 2019, he released his Comedy Central special “Size 38 Waist,” which perfectly encompassed both his Brooklyn-born edge and nice-guy charm. Distefano’s second full-length special, “Speshy Weshy,” premiered on Netflix in May of 2022 to wide acclaim.

When Distefano isn’t on stage, you can catch him in his element on the comfort of his own couch, where he records his wildly successful podcasts, “Chrissy Chaos” and “Hey Babe,” the latter of which he co-hosts with “Impractical Jokers” star Sal Vulcano. ### **ABOUT SAM MORRIL**

Sam Morril is one of the fastest-rising stand-up comics in New York City and one of the best joke writers on the scene today. He was a regular on Comedy Central’s “This Week at the Comedy Cellar,” where he appeared frequently when not touring. He was named one of Comedy Central’s Comics to Watch in 2011 and has performed multiple stand-up sets on “The Late Show with Stephen Colbert,” “The Late Late Show with James Corden” and “Conan.” He’s also had stints on “Last Comic Standing,” “America’s Got Talent,” “@midnight” with Chris Hardwick and “Inside Amy Schumer.” Morril can be heard on the podcast “We Might Be Drunk” with co-host Mark Normand and seen on Netflix’s “That’s My Time” with David Letterman. His newest stand-up special, “Sam Morril: Same Time Tomorrow,” can also now be viewed on Netflix.

In late 2020, Morril self-released his stand-up special, “Up On The Roof,” in which he navigates performing live during COVID. In February of the same year, Morril released his third stand-up special for Comedy Central, “I Got This” on their YouTube channel and received over 1.5 million views within the first two weeks. ### **ABOUT NIMESH PATEL**

In the past two years, Patel has self-released three stand-up specials and has charted a path from sold-out comedy clubs to major theaters.

Patel most recently appeared on “The Tonight Show with Jimmy Fallon” and before that made his late-night debut on “Late Night with Seth Meyers.” His self-released specials “Jokes To Get You Through Quarantine,” “Thank You, China,” and “Lucky Lefty” have amassed millions of views. His first writing job came after Chris Rock saw him perform stand-up and hired him to write for the Academy Awards in 2016 and tour with him.
