ABOUT THE CORAL REEFER BAND

The Coral Reefer Band began their journey with Rock & Roll Hall of Famer Jimmy Buffett in 1973. While members have changed over the years, most of the band have performed with Buffett for over 30 years. Together, they have toured the world with more than 40 tours and 30 albums.

When Buffett passed in September of 2023, he left an edict to “keep the party going” and that’s just what his band continues to do. For more information, visit jimmybuffett.com.
