PRIOR LAKE, Minn. – Feb. 10, 2026 – Prepare to rock when Taking Back Sunday performs in the Mystic Showroom with special guest Bayside at 8 p.m. Saturday, June 20, 2026.

Taking Back Sunday, who released their eighth studio album, “152,” in late 2023, often refer to themselves as the luckiest guys you will meet. The new album, featuring 10 intensely vulnerable and absorbing new tracks, was delivered with fresh ambition and a newfound purpose. It stands among the most genuinely reflective and emotionally pure efforts of Taking Back Sunday’s illustrious career.

Starting out just hoping to release at least one album and go on tour, the band has since sold millions of albums. They have numerous tracks with streams hitting the multiple hundred million mark, have toured the world several times over, have performed at all the biggest festivals and are still always looking forward.

Never ones to rest on their prior accomplishments or impressive back catalogue, they are always striving to make something that they hope folks can find a little piece of themselves in. “Music is there to bring you together with like-minded people and get a little lost. For us, the songs from “152” have a life and energy all their own. It would make us the happiest if we could all get lost in it together.” For more information, visit takingbacksunday.com.
