ABOUT ALTER BRIDGE

Alter Bridge released their self-titled, eighth studio album on Jan. 9 via Napalm Records to critical and commercial acclaim. The album was comprised of 12 brand-new tracks that rank among the band's most compelling work to date. Longtime producer Michael "Elvis" Baskette once again joined the band for the project, which was recorded over two months in 2025 at the legendary 5150 Studios in California and at Baskette's studio in Florida.

Alter Bridge has endured countless trials and tribulations, defied every odd and rose to the head of the pack as a hard rock juggernaut. They have cemented a singular legacy by selling out arenas, gathering nearly one billion streams, inciting international acclaim and quietly attracting a diehard audience.

Beginning with the Top 5 entry of 2004's Gold-certified "One Day Remains," the band has scored six consecutive Top 20 debuts on the Billboard 200. Among a myriad of highlights, Guitarist magazine applauded their song "Blackbird" as the "greatest guitar solo of all time." Single "Isolation" vaulted to No. 1 on the Billboard Mainstream Rock Chart, 2014's "Fortress" received rare perfect scores from KERRANG! and Total Guitar while "Walk the Sky" shook the Top Rock Albums Chart at No. 1.

Beyond packing legendary venues like O2 Arena and Royal Albert Hall, Classic Rock magazine hailed 2022's "Pawns & Kings" as "the Rolls-Royce of Alter Bridge records" in a 4.5-out-of-5-star review. The latter LP garnered praise from American Songwriter, Guitar World and Loudwire, while Billboard christened them "one of America's premiere hard rock quartets." Channeling the same relentless drive, the band continues to expand their legacy with their latest album. It's an embodiment of the precision, power and soaring musicality fans have come to expect.

ABOUT TIM MONTANA

Tim Montana forges a new frontier for hard rock. Following a tumultuous and downright unbelievable childhood in a trailer off-the-grid, the singer, guitarist and entrepreneur left his home state of Montana in the rearview at barely 18 years old. Driven by a restless work ethic, he quietly carved out a niche without comparison. Montana shook the rock world with "Devil You Know." Christened "flawless" and "One of the 30 Best Rock + Metal Songs of 2023" by LoudWire, the breakout single surged onto Billboard's Mainstream Rock Airplay and Rock & Alternative Airplay charts. Montana is telling a story that will resonate far beyond his home state, and you can hear it loud and clear.
