Tickets on sale July 31

PRIOR LAKE, Minn. – July 27, 2026 – Pop-rock trio Hanson are returning to the Mystic Showroom for a night of hits at 8 p.m. Saturday, Nov. 28, 2026.

Over their first 28 years as the band Hanson, brothers Isaac, Taylor and Zac Hanson have made a significant mark in music. Starting in 1992, they spent their first five years building a fanbase as an independent band in Tulsa, Oklahoma. After signing a record deal, they saw a meteoric rise with the 1997 international smash single “MMMBop” from their debut album “Middle of Nowhere,” followed by consecutive Top 40 singles. A long line of hits, five more studio albums, multiple Grammy nominations and over 16 million album sales followed.

Over their second decade, the band charted their own course, running an independent label while maintaining a coveted connection with their global fanbase. For more information, visit hanson.net.
