

FACIALS

TAILOR HARVEST FACIAL | \$105

Enjoy your tailored experience using natural ingredients from the earth that will nourish your skin giving you the results you want. An effective, yet gentle exfoliation will resurface your skin followed by a peaceful facial massage. Finally, a carefully selected cream mask will feed your skin with Mother Earth's finest extracts, leaving your face radiant, soft and rejuvenated.

NATURE BALANCING LUXE FACIAL | \$130

Customized to balance your skin, as well as your mind, body and soul. This luxe facial offers two facial treatment massages. Massage one is designed to soften the skin tissue, which softens lines and wrinkles while filling the air with aromas like geranium, sage and lavender picked straight from the garden. Your second facial massage treatment is with a professional treatment ampoule personalized to your skin type. Using multiple cream masks on various areas of the face will target those zones, expediting results and creating a flawless, uniform finish to your skin.

BLISSFUL DETOX FACIAL | \$155

Rid your skin of harmful pollutants that work to age your skin faster with your carefully selected high-performance specialty mask facial. This scientific-meets-nature approach pushes out harmful environmental pollutants and built-up toxins, and quenches free radicals. Your specific detox facial combines multiple blissful facial massages to target lines, wrinkles and skin concerns. A neck and décolleté massage and mask, combined with a cooling camphor and azulene shoulder, arm, calf and foot massage will leave you in total bliss. Ideal for all skin types.

WOZUPI GARDEN PEEL | \$130

A skin peel treatment using the finest ingredients gathered from Mother Earth's garden. The Lacto-Flora Peel is formulated with natural AHAs infused with hibiscus flower acid. This exceptional combination gives you a deeper exfoliation to help control sebum, address acne concerns or breakouts, and resurface the skin, minimizing fine lines and wrinkles while still possessing the power to infuse moisture. Breakouts are managed, dehydration is quenched, redness is gone, and your complexion will be even and glowing.

CLEAR PATH ACNE FACIAL FOR CLEAR SKIN | \$130

Receive the facial that will start you on the path to clear skin. Pevonia's ProCorrective Clear-Control Collection uses innovative ingredient formulas that address multiple acne-related concerns and allows you to take back control of your skin. Complementing extracts of cinnamon and niacinamide work to improve the health of the skin by controlling sebum, while Tea Tree, rosemary and lemon extracts help manage bacteria, fight irritation and dryness, and present a clean, healthy aromatic blend. A perfectly homogenized complex that leaves your skin headed on the right path.
